

60 cm built-in bottom mount refrigerator H177cm, sliding door Heritage Series

REF603BBNPTC-S

This 60 cm sliding door built-in refrigerator has a capacity of 237 litres, with 170 L of volume for the fridge and 67 L for the freezer. The doors are reversible and can be paneled for left or right swing installation.

This refrigerator features 4 shelves, of which 3 with variable height and 3 bins, of which 1 for gallon-sized containers + 2 with adjustable height. The Total No Frost system guarantees excellent and prolonged food preservation, eliminating ice and bacteria formation.

The digital touch screen display has been designed for maximum ease of use. The display shows the actual temperature in the appliance providing the most accurate feedback possible. The fully back-lit LED panel ensures perfect lighting throughout the refrigerator, helping you to quickly find what you are looking for.

Energy efficiency class E.
